DRINK

THE HORSE & STABLES

*Of all the money that e'er I had
 I spent it in good company
 And all the harm I've ever done
 Alas, it was to none but me*

*And all I've done for want of wit
 To memory now I can't recall
 So fill to me the parting glass
 Good night and joy be to you all*

*So fill to me the parting glass
 And drink a health whate'er befalls
 Then gently rise and softly call
 "Good night and joy be to you all"*

*Of all the comrades that e'er I had
 They're sorry for my going away
 And all the sweethearts that e'er I had
 They'd wish me one more day to stay*

*But since it fell into my lot
 That I should rise and you should not
 I'll gently rise and softly call
 "Good night and joy be to you all"*

*But since it fell into my lot
 That I should rise and you should not
 I'll gently rise and softly call
 "Good night and joy be to you all"*

Good night and joy be to you all

- Patron XO CAFE -

A delicious but thereof
EXTRA DANGEROUS
tequila with pure coffee essence.

- Served Ice Cold at The H&S -

** Since it's only slightly sweetened, XO CAFE
does not give those infamous sugary-liquor headaches the
day after. (Note from experience: it will however give you
some serious pain, should you decide to love it as much as
nutella and kill a unit in one go...)*
